

## HARDING HITS SHIP GOUGERS IN RUSS RELIEF

President Orders New Low Rate  
for Taking Supplies to  
Famished Areas.

By T. N. SANDIFER,  
International News Service.

President Harding's decision on the shipping rate for relief supplies to Russia gives private shipping operators another chance to secure their share of the tonnage in the view of shipping authorities here today.

Private operators originally were scheduled to handle these supplies, and the Shipping Board, in deference to legislative action, stepped aside. It was only when they were charged with attempting to exact undue profits that the Shipping Board was called in again, and the independent operators put aside.

The settlement of the rate differences it is now felt, leaves the way open for these private concerns to make new overtures for the work, basing their rates on what has been decided as the low cost basis.

In the terms of the settlement it is stated that if the operators can make agreeable terms they will still receive priority. On this basis it is expected that some of them will take advantage of the opportunity, not because of any profit to be made, but because it offers employment for their boats which would otherwise be tied up in many cases.

If these operators can see where they can perform the work at cost, it will at least keep their boats at work, and employ some of the seamen and merchant marine officers now on the beach more or less.

**EASTLAKE WILL  
TAKE STAND AT  
MISS KNOX TRIAL**

Acquitted Man Expected to Testify Against Nurse Charged With Slaying.

RICHMOND, Va., Jan. 12.—Roger D. Eastlake, chief petty naval officer, recently acquitted at Montross of the charge of murdering his wife in their home at Colonial Beach last September, will be used as a witness against Sarah E. Knox, Baltimore trained nurse.

She was indicted jointly with him and is scheduled to be tried February 27.

This statement was made here today by Watt T. Mayo, Commonwealth's attorney of Westmoreland county. Mayo said that he had been assured by Eastlake's relatives that he was confident Miss Knox killed his wife and that he was eager to see justice meted out to her.

**COURT ENJOINS MERCHANTS  
TO KEEP WAGE AGREEMENTS**

NEW YORK, Jan. 12.—Justice Robert F. Wagner of the supreme court, yesterday granted a permanent injunction restraining the Cloak, Suit and Skirt Manufacturers' Protective Association from violating the agreement with the International Ladies' Garment Workers' Union by concerted action for the introduction of a forty-nine-hour week and the piece-work system.

This injunction, which was previously granted only temporarily, is the first action of its kind ever undertaken by a labor union. It was characterized today by Benjamin Schlesinger, president of the garment union as "a great victory for labor in the United States."

Encouraged by the court action, the 55,000 striking workers now hope for a quick end of the strike, which began on November 8.

## KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets.

The secret of keeping young is—to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color, 15c and 30c.
